

GKN Freight Services Information Bulletin

Beijing Olympics Update

The headquarters of border defense Shanghai have announced the measures being taken to strengthen safety and security of the ports in China during the Olympic Games.

Please note that this could cause delays to shipments due to the extra security checks and stringent inspections.

Attached are full details of how each port will be affected.

GKN Freight Services will keep you updated of any further developments. In the meantime please do not hesitate to contact us if you have any queries.
