## Driving ban in Italy

Please be advised that during the Easter period, driving bans will be in place for all vehicle types with a weight limit over 3500 kgs, and are scheduled in Italy for the following dates in April:

2nd April - ban from 16.00 to 22.00

3rd April - ban from 08.00 to 22.00

4th April - ban from 08.00 to 22.00

5th April - ban from 08.00 to 22.00

6th April - ban from 08.00 to 14.00

This ban will cause some delays to shipments as trucks over 3.5 tonnes will be unable to transit Italy during these periods. Additional transit time may need to be factored in to delivery dates during this time.

GKN Freight Services will keep you informed of any further developments. In the meantime if you have any questions please do not hesitate to contact us.
