## Further strike action at Le Havre port

Due to strike action, Le Havre port terminal will be closed for both vessel and land operations from Tuesday 19th October, 6am until Wednesday 20th October 6am.

Currently this strike does not affect any of our sailings, nor our loading ability, therefore, no delays are expected. However, GKN Freight Services will be monitoring the situation and will keep you informed of any further developments. If you have any queries please do not hesitate to contact us.
