Lufthansa plan to strike

The Vereinigung Cockpit (VC) pilots union has called on Lufthansa pilots to participate in a four-day strike from 22nd to 25th of February. The strike affects Lufthansa Passenger Airline, Lufthansa Cargo and Germanwings. Lufthansa Cargo say that they will still be operating more than 90 per cent of their freighter operations during this period, however, the strike may still have some affect on GKN Freight Services' airfreight activities.

Please be advised that we will be closely monitoring the situation and will keep you informed of any further developments. In the meantime if you have any questions please do not hesitate to contact us.
