M6 motorway closed after pile-up

The M6 is shut between junctions 6 and 7 northbound and from 8 to 6 southbound due to a collision early this morning between junctions 6 and 7 at Spaghetti Junction and Great Barr.

The Highways Agency said that the southbound carriageway will be shut until 1900 GMT and the northbound carriageway until mid-afternoon. This will inevitably lead to delays in the timing of our deliveries.

GKN Freight Services are monitoring the situation and will inform you of any further developments.

In the meantime if you have any questions please do not hesitate to contact us for further information.
