

# GKN Freight Services Information Bulletin

## Port of Felixstowe - Disruptions due to high wind

Please be advised that the port of Felixstowe is currently closed due to high winds. There were many disruptions to park and vessel operations this morning and from 1200 hrs the port has been completely closed. Please be advised that this may cause delays to our service.

GKN Freight Services are monitoring the situation and will keep you informed of any further developments. In the meantime, please do not hesitate to contact us if have any questions.
