

Information Bulletin

Snowstorm expected on the Atlantic East Coast

A major snowstorm is expected to hit the Atlantic East coast during the next few days. Airlines are already cancelling some flights to avoid storms. This may cause some delays to our airfreight inbound to the U.S.A.

Please be advised that GKN Freight Services are monitoring the situation closely and will keep you informed of any further developments. In the meantime if you have any questions please do not hesitate to contact us.
