

Information Bulletin

Stevedores strike action affecting Spanish ports

Spanish stevedores have announced strike action. If the strike goes ahead it will affect all ports in Spain over the following days:

From 11th - 14th of May

From 18th - 21st of May

From 25th of May onwards - indefinite

Contingency planning is being put in place for those customers affected.

GKN Freight Services will keep you informed of any further developments. In the meantime please do not hesitate to contact us if you have any questions or concerns.
