## STEVEDORES STRIKE AT TERMAVI VIGO PORT

Stevedores are planning to go on strike indefinitely at Vigo port (Spain) from 15th of December. If this strike goes ahead this will mean that no containers can be loaded or unloaded. This will affect all containers in Vigo port.

GKN Freight Services will be working closely with its customers to ensure that container movements are not disrupted by the use of alternative routings. If you have any questions please do not hesitate to contact us.
