## Strike action at Le Havre

Port workers at Le Havre have again announced strike action from 12<sup>th</sup> January until 17<sup>th</sup> January 06.00 hrs. Over this period, workers are holding 2 x 1 hour stoppages daily at the end of the morning and afternoon shifts.

The present climate in Le Havre is again uncertain and various shipping lines are choosing to omit Le Havre from vessel loops. GKN Freight Services are in contact with affected customers and are working towards identifying and putting in place appropriate contingency arrangements where necessary.

GKN Freight Services are monitoring the situation daily. In the meantime if you have any questions please do not hesitate to contact us.
