U.S. – Winter storm causes flight cancellations at Chicago airports

A snow storm on Tuesday has caused the cancellation of hundreds of flights at O'Hare International Airport and Midway Airport. Please be advised that this may affect shipments to the GKN Auburn Hills plant.

Forecasters expect a break from the bad weather on Wednesday before more snow, ice and rain are possible on Thursday.

GKN Freight Services will inform you of any further developments. In the meantime if you have any questions please do not hesitate to contact us.
