### Update - Transport Strike in Spain

We have been receiving different strike updates from various organisations in Spain: The Plataforma para Defensa del Transporte (Platform in Defence of Transport) have stated that they will start an indefinite strike in Spain on the 6<sup>th</sup> of June and the organisations Fenadismar and Cofedetrans are stating that they will commence a strike on the 8<sup>th</sup> of June.

It is unclear at this stage what impact these strikes will have but please be assured that GKN Freight Services are monitoring the situation and will keep you informed of developments.

Please do not hesitate to contact us if you have any questions.
